

OFFICE OF
SAMUEL CRUMP,

MONTCLAIR, N. J., U. S. A.

Montclair, N. J.,

Apr. 6th 1891

J. Inglis Clark, Esq.

Dear Sir;

In a letter which I recently received from my father he asked me to send you his regards and a handkerchief similar to his. I find it much easier to send the former, as I have hunted all over New York but cannot reduplicate his handkerchief, so I have enclosed a small American flag instead.

The newspaper which I send is a fair sample of one of ~~the~~ Sunday editions of our

great New York dailies, and
of which we feel I think, justly
proud. Hoping that both
will reach you in good condi-
tion I remain

Very sincerely yours
Geo. E. Crump.
